Flush swing glass door system
Sistema per porte battenti rasomuro in vetro

FUSION

GLASS

Fusion Glass is the new flush swing glass door system. The usage of best components allows a **quick and easy installation**.

Fusion Glass è il sistema per porte battenti rasomuro in vetro. L'utilizzo dei migliori componenti permette un **rapido montaggio e un'agevole posa**.

A new versatile system, for a unique design

Fusion Glass flush swing system is used with **glass doors from 8 ÷ 10 mm thickness.**

It's possible to supply frames dedicated to standard door sizes.

Alternatively, it's possible to realize frames according to special sizes requirements, providing information of height, width and quantity of hinges to use.

Un nuovo sistema versatile, per un design unico

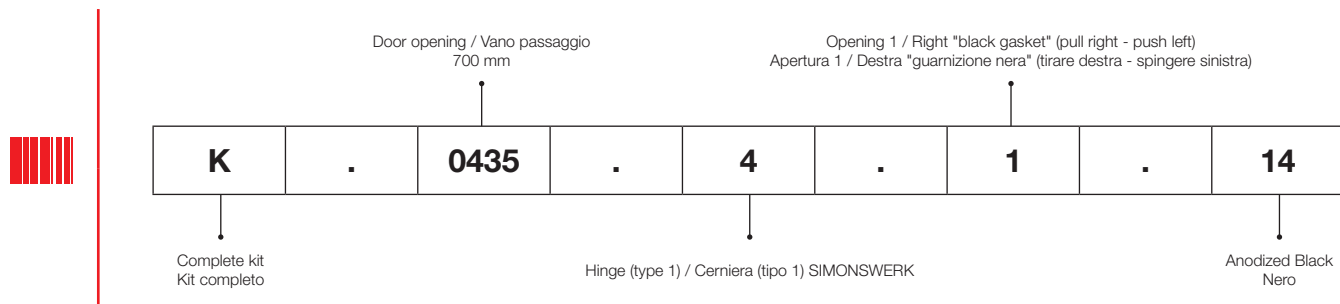

Il sistema per porte battenti rasomuro **Fusion Glass** si può utilizzare con **porte in vetro con spessore 8 ÷ 10 mm.**

Il sistema è adattabile sia a telai lavorati con misure standard, sia a telai su misura, fornendo le dimensioni di altezza e larghezza ed il numero di cerniere.
